T-REX

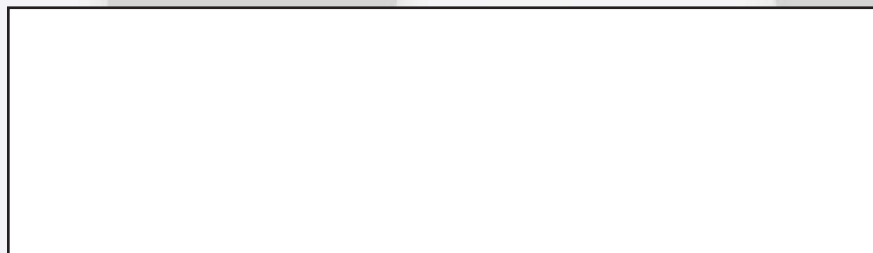

SPRAY ON BEDLINERS

- T-Rex Spray on Lining is the best option for a long lasting, extremely tough polyurethane bed liner that will last the life of your truck and longer.
- T-Rex Liners bond permanently to the surface, creating slip resistant, corrosion proof, protection for the bed of your truck.
- T-Rex Liners also look great, the consistent texture and crisp lines give the appearance of a liner that could have been applied at the factory.
- For extreme permanent protection, choose T-Rex Spray on Linings and you will not be disappointed.
